

HERE'S YOUR APRIL UPDATE FROM THE COMMUNITY FOUNDATION OF THE VALLEYS

WHEN COLLABORATION DRIVES IMPACT

In today's challenging environment, nonprofits are being asked to do more with less, and collaboration has never been more important.

The **Fourth Annual Convening of San Fernando Valley Nonprofits and Foundations** on June 11, 2026, brings organizations together to share ideas, build partnerships, and find solutions. Through roundtables with City Council representatives and conversations with foundation leaders, attendees will gain valuable insights and connections.

A featured **State of the Valley** panel will highlight key trends shaping our region, alongside discussions on sustainability and collaboration.

This Convening isn't just about conversation, it's about strengthening our collective impact. Your voice matters! To register: <https://www.eventbrite.com/e/fourth-annual-convening-of-san-fernando-valley-nonprofits-and-foundations-tickets-1981453094545>

MEET OUR CONVENING CO-HOST: VALLEY NONPROFIT RESOURCES

Valley Nonprofit Resources (VNR) is dedicated to supporting and strengthening nonprofits across the San Fernando Valley. Operated by California State University, Northridge (CSUN) and housed within the College of Social & Behavioral Sciences, VNR serves as a central hub for nonprofit support.

VNR was created in direct response to what local nonprofits said they needed most: peer-based learning opportunities, easy access to information, and local training and technical assistance.

By providing these resources, VNR helps organizations build capacity, connect with one another, and better serve their communities. For more information, visit <https://www.csun.edu/valley-nonprofit-resources>
